

GO Teams Guides: Virtual Gala Fundraiser

Normally galas are reserved for pretty huge organizations, but they don't have to be when they are virtual. A virtual gala is an opportunity for your community to come together, enjoy a virtual meal together, and have some fun all while raising money.

How To

1. Pick a day and a time and invite your community to sell tickets to share their lunch or dinner virtually together. Encourage folks to dress up to make it a special coming together. Winter Solstice (December 21st) is a popular time for humanists to come together to celebrate.
2. Alternatively, livestream for everyone for free with calls to donate on screen, in the description, and from an emcee.
3. Have some entertainment during or after the meal. The entertainment could be combined with additional ways to raise funds: [pub quiz](#), [talent show](#), or [auction or raffle](#).

Some More Tips

- Start planning at least a month in advance so you have time to make arrangements and promote your event.
- Set a goal that is achievable, but not easy.
- Make an event page on Facebook, send invitations, announce it on your website, put an ad in local newsletters and newspapers, send email reminders a day or so before the event.
- Partner up with other groups! Let other local freethought groups know about your event. Consider contacting special interest clubs who would also support the charity you've chosen, or partner with religious groups and spark some friendly competition.
- Enjoy yourself!
